
If you want tons of snow, head to Winterplace Ski Resort. The resort is located only 2 minutes off I-77 at Exit 28, Ghent/Flat Top, West Virginia. When your group arrives at Winterplace, they go directly to the Special Group Orientation Area. This is where everyone will get their lift tickets, rental gear and the attention that gets your group out on the slopes and having fun as soon as possible. Winterplace is host to West Virginia’s largest snow tubing park—16 lanes of cool fun.

Enjoy lunch at one of the Fantastic Restaurants—take a break and enjoy the panoramic view on the deck, sip hot chocolate by a big stone fireplace or have a delicious meal at The Mountain House. Just a few steps away from the lift line, relax in the casual atmosphere of Mickey’s Mountain Café. Grab a snack, or enjoy a complete breakfast, lunch or dinner at Mountain Mama’s.

Looking for something to do after spending time on the slopes? Shop Mercer Mall, host to over 70 specialty shops.

Enjoy dinner in a casual atmosphere at Macado’s or if your group is looking for a cafeteria setting, visit K&W Cafeteria, both located at Mercer Mall.

Relax in the comfort of a luxurious hotel located at Exit 1 (Bluefield), or Exit 9 (Princeton) right off I-77.
